THE STANDARD

NO SHORTCUTS

Every cut, shave and trim gets the same care, whether it's your first visit or your fiftieth.

01

SKILL

Clean skin fades, textured crops and classic scissor work, finished by hand with a straight razor.

02

DISCIPLINE

Proper consultation before the clippers come out. We cut what suits you, not what's fastest.

03

CONSISTENCY

The same sharp result every visit, so your fade looks as good in week three as it did on day one.
